BY SUBMITTING THIS APPLICATION, I AGREE TO THE FOLLOWING:

I, the undersigned, understand that this is a limited, first-come/first-served, one-time program; that rebates are given only for projects for which applications are approved and that Zone 7 is entitled to deny any application that does not meet program requirements. I have voluntarily elected to participate in Zone 7's Smart Irrigation Controller Program. I agree that Zone 7 may visit the premises to verify existing conditions and that the installation has been performed. By virtue of these inspections, I understand that Zone 7 makes no determination with respect to whether materials and equipment are free of defects, the quality of the workmanship, or the suitability of the premises, materials or equipment for the installation. I also understand that the installation of a Smart Controller may not result in lower water bills. If this Application is approved by Zone 7 and the work proceeds, I agree to defend, indemnify and hold harmless Zone 7, its directors, officers, agents and employees against any and all loss, liability, expense, claims, suits and damages, including attorneys' fees, arising out of or resulting from the installation of a Smart Controller. I authorize my water retailer to make water consumption data available to Zone 7 for the purpose of measuring the success of these programs in conserving water.

I have read, understand, and agree to the terms and conditions of this rebate program.
