

Water conservation

Last Updated Friday, 20 August 2010

Be a "Water Saving Hero!" Zone 7 has joined with several other Bay Area water agencies in a regional "Water Saving Hero" Water Conservation Campaign. Check out water-saving tips at www.WaterSavingHero.com.

Read about some Local Water Saving Heroes right here in Livermore, Pleasanton and Dublin!

This cool, virtual home tour lets you investigate water-saving opportunities in each area of your house. Go the California Urban Water Conservation Council's www.h2ouse.org web site.

California's Water Conservation Resource.

[Water-wise Landscaping](#)

Beautiful drought-tolerant landscaping is featured in free, self-guided tours of dozens of gardens throughout the East Bay. Paul Kasameyer (right) of Livermore is one of Valley residents who opened his garden up for public viewing last year. To see the Bringing Back the Natives website, [click here](#). Also offering tours of water-wise, environmentally friendly gardens is the Bay Friendly Landscaping & Gardening Program.

Zone 7 joins Dublin San Ramon Services District in "Grassroots Issues" Video on Water Conservation.

Who to Contact with Your Water Conservation Questions

Contact the water conservation specialist at your retailer (i.e. the agency that sends you your water bill). Zone 7 Water Agency also can help with your questions and provide additional information.
