

To StreamWISE Stakeholders -

We are starting the task of defining, prioritizing and sequencing the projects that will constitute our 5-, 10- and 30-year Capital Improvement Programs in what we are now calling the StreamWISE Program (formerly known as the Stream Management Master Plan). We expect this task to be completed in mid-October, and hope that you will participate in the development of this implementation plan with us. We have designed a process to facilitate your participation and describe it in the attached Stakeholder Engagement Calendar.

Please join me in the first series of Stakeholder meetings to be held on Wednesday, May 16 and Thursday, May 17. You are welcome to attend any of the meetings listed below depending on your interests. Each meeting is intended to focus on an aspect of particular interest to a specific group of Stakeholders. Please contact our project manager, Carol Mahoney, by phone at 925-454-5064 or e-mail at carol@zone7water.com and tell her which meeting(s) you plan to attend, and who else from your organization may also attend. You may also visit the Zone 7 web site at www.zone7water.com for more information.

Please bring to this meeting your top one or two project priorities, and be prepared to talk about why they are important to you. If you wish to review the conceptual project ideas of the Stream Management Master Plan (including project name, purpose, components, and goals), please review "SMMP Project Descriptions" and "SMMP Project Locations" attached.

The schedule for the first series of meetings is as follows:

- Business: Wednesday, May 16 at 8:30 a.m.
- Government: Wednesday, May 16 at 10:30 a.m.
- Recreation: Thursday, May 17 at 10:30 a.m.
- Agriculture: Thursday, May 17 at 1:30 p.m.
- Environmental: Thursday, May 17 at 3:30 p.m.

I attach a draft agenda for the meeting and a Stakeholder Engagement Calendar. This calendar describes our plan for defining, prioritizing and sequencing these important projects. We look forward to hearing from you and hope that you will be able to participate.

Sincerely,

G.F. Duerig
General Manager
