

Dear StreamWISE Stakeholder:

You are invited to attend the third of four planned StreamWISE stakeholder meetings, scheduled for Thursday, November 15 from 4:00 to 5:30 p.m. at the Zone 7 office (Room 150A/B) in Livermore (100 North Canyons Parkway).

In addition to updating you on the overall progress we have made in developing the implementation plan, we will discuss potential funding options and share our conceptual approach to raising the funds necessary to make the StreamWISE Program viable. We will also discuss the next steps in prioritizing projects based on these funding options.

This will be an important meeting, and we hope you or someone from your organization will be able to attend. Please note that this meeting will differ from the first two series meetings in that it will be a plenary session for all stakeholder interest groups to meet together.

If you plan to attend, please RSVP to me at this e-mail address (streamwise@zone7water.com) by Friday, November 9. If you have any questions, please don't hesitate to e-mail me at this address as well. We look forward to seeing you at the meeting.

Sincerely,

Carol Mahoney
