Rebate Agreement – Release of Liability

Your Water Agency may deny any application that does not meet the requirements. Requirements are listed in the Program Terms and Conditions for Participation section. The undersigned agrees to allow the Agency to inspect washing machine installations as a condition to obtaining a rebate under this program. The Agency does not guarantee the performance of any washing machine or that the installation will be free of defects. The Agency also does not warrant the quality of the workmanship or suitability of the premises for the washing machine installation. The undersigned further agrees to hold blameless the Water Agency and against damage, expense, and liability resulting from the loss, destruction or damage of property arising out of or in any way connected with the installation of a washing machine. Zone 7 and the water retailers reserve the right to alter this program at any time. Funding for this program is limited to available resources. Rebates are processed on a first-come, first-serve basis and will only be processed until funds are depleted. Please allow up to eight (8) weeks for your completed application to be processed. Incomplete applications cannot be processed; thus please make sure to include your water bill account number. You will receive a rebate credit on your water bill.

By signing this form, I agree that I have read, understand, and agree to the terms and conditions of this rebate program, including the Program Terms and Conditions

California Water Service District is not participating in Zone 7's rebate programs. Cal Water offers their customers a company-wide rebate program at www.calwater.com

Program Terms and Conditions for Participation

- To be eligible for up to \$75 rebate, I understand I must be a residential customer of City of Pleasanton, City of Livermore, or Dublin San Ramon Services District with an active account in good standing.
- I understand the program term is July 1, 2019 through December 31, 2020 or sooner, if allocated funds are depleted. New products that are ordered purchased and installed beginning May 1, 2019 qualifies for retroactive rebates. Leased products do not qualify.
- I understand this signed and dated "2019 High-Efficiency Clothes Washer Rebate Application Form", all appropriate proof(s) of purchase, and other required documentation as described in this application must be submitted with application.
- It takes generally up to six to eight weeks to receive a rebate credit to your water account for qualifying product(s) after authorized by your water agency receive and approve a completed application and required documentation. If an application is selected for an onsite inspection, additional processing time may be needed. An incomplete application will not be processed for payment.
- I will allow, if requested, reasonable access to my property to verify the installed product I have purchased before a rebate is paid.
- I have installed a qualifying product and understand the water efficiency eligibility requirements for each stated product as defined by the ENERGY STAR® Most Efficient 2019 and 2020 Product List.
- I understand I cannot receive a rebate for the same product or equipment from more than one California investor-owned utility or third-party water efficiency program offering rebates, financing or other rebates funded from more than one water agency.
- I understand rebate amount may not exceed purchase price, not including taxes.
- I understand the qualifying clothes washer must remain at the installation site for a minimum of six months after installation date.
- I understand there is a limit of one rebate per household within a five-year period.
- I understand installation of qualifying clothes washers may not result in lower water bills; and authorized third party and the water agencies do not warrant any clothes washer or installation to be free of defects. Nor do they warrant the quality of workmanship, or the suitability of the premises for the clothes washer installation. I agree to indemnify and to hold harmless the water agencies and their Affiliates, Subsidiaries, Parent Company, Authorized Third Parties and the respective Officers, Directors, Agents, and Employees of the foregoing against all loss, damage, expense, fees, costs, and liability arising out of or in any way connected with installation of a clothes washer.
- I understand Zone 7 Water Agency and its water retailers are not responsible for items lost or destroyed in transit through the mail or electronic medium. Original applications will become the joint property of the water agencies.
- This program is subject to change or end without prior notice.
- Offer void where prohibited or restricted by law.

PLEASE NOTE:

- Not all high-efficiency clothes washers qualify for a rebate. ONLY ENERGY STAR Most Efficient 2019 models are eligible for up to a \$75 rebate.
- One rebate per household every five years.
- Details, such as rebate amounts and eligible clothes washers, are subject to change at any time.
- Clothes washers with silver ion technologies are not eligible for the rebate. For more information visit: www.zone7water.com or call 925.454.5065
- Clothes washers that are resale units, leased, rebuilt, rented, received from warranty or insurance claims, exchanged, won as a prize or have had new parts installed in an existing unit, do not qualify.
- **Clothes dryers do not qualify for a rebate.**
