BY SUBMITTING THIS APPLICATION, YOU AGREE TO THE FOLLOWING:

I, the undersigned, understand that this is a limited, first-come/first-served, one-time program, that rebates are given only for projects for which applications are approved and that ZONE 7 is entitled to deny any application that does not meet program requirements. I have voluntarily determined to participate in ZONE 7's Smart Irrigation Controller Program. I agree that ZONE 7 may visit the premises and verify existing conditions and that the installation has been performed. By virtue of these inspections, I understand that ZONE 7 makes no determination with respect to whether materials and equipment are free of defects, the quality of the workmanship, or the suitability of the premises, materials or equipment for the installation. I also understand that the installation of a Smart Controller may not result in lower water bills. If this Application is approved by ZONE 7 and the work proceeds, I agree to defend, indemnify and hold harmless ZONE 7, its directors, officers, agents and employees against any and all loss, liability, expense, claims, suits and damages, including attorneys' fees, arising out of or resulting from the installation of a Smart Controller. I authorize my water retailer to make water consumption data available to Zone 7 for the purpose of measuring the success of these programs in conserving water. I agree to a pre- and/or post-installation inspection, upon request.

I have read, understand, and agree to the terms and conditions of this rebate program.

SIGNATURE OF APPLICANT: _____ DATE: _____

ZONE 7 WATER AGENCY

TO QUALIFY FOR A REBATE:

- Applicant must receive their water service from either Dublin San Ramon Services District, City of Livermore, or City of Pleasanton). Properties that receive their water service from California Water Service (Cal Water) do not qualify for this rebate.
- Applicant's water account must be in good standing.
- Commerical sites must have a dedicated potable water irrigation meter(s) or landscape sub- meter(s) to measure all landscape water use.
- Applicant must select, purchase and install a Smart Irrigation Controller from the *EPA WaterSense Weather-based Irrigation Controller List* of approved controllers. All areas on site must be converted to Smart Irrigation Controller(s) to receive a rebate.
- Installation must be complete before applying for rebate. You must provide a picture of the installed controller and a Screenshot(s) of the controller settings.
- Rebate application must be postmarked within 60 days of purchase date.
- Controller must remain on- site for a minimum of two (2) years.

Funding is limited. Rebates are one-time-only per site, and will be provided on a first-come, first served basis.

You have two options for submitting your rebate application:

Email the completed rebate application, programming screenshots, sales receipt and water bill to:
rebates@zone7water.com

or

Mail the application, prints of the screenshors, sales receipt and water bill to:

Zone 7 Water Agency
Attn: Rebates
100 North Canyons Parkway
Livermore, CA 94551

PROJECT INFORMATION:

- You must be “replacing” an existing conventional controller.
- One Smart Controller per water account.
- Multi-family and Commercial customers must have a dedicated irrigation meter.
- All irrigated areas must be converted to a new Smart Controller.

APPLICATION STEPS:

1. Complete your application
2. Attached a copy of your receipt
3. Include a picture of your installed controller and a screen-shot(s) of your controller programming settings.
4. Submit the required documentation by email or by regualr mail.

REBATE INFORMATION:

- The Smart Irrigation Controller you purchase must be from the EPA WaterSense Weather-based Irrigation Controller Product List. The List can be found on the [EPA Watersense website](#).
- Sales tax, installation, programming costs, and other fees are not rebated.
