- Line K: Tassajara Creek

The District reserves the right to award the contract in whole or in part, or to make no award at all, as deemed to be in the best interest of the District.

The District anticipates that the majority of the Work will be performed during the hours defined in Section 01100 (Summary of Work). The engineer's estimate for this project is \$23,700,000.

5. CONTRACT TIME. Construction activities for all fifty (50) bank repair sites may be phased over multiple construction seasons. All heavy equipment in-channel work may be performed during the construction window between June 1 – October 15 of each construction year, or as directed by the Project Engineer. **Final Completion of all work for each construction season shall be no later than December 16 of the respective year.** NTP for this project is subject to receipt of all regulatory permits. The Contractor shall not commence work until the NTP is issued. Zone 7 will not be responsible for any costs, including but limited to mobilization, demobilization, standby time, or other delays, resulting from the permitting process or the timing of the NTP issuance.

6. REQUIRED CONTRACTOR'S LICENSE(S). Each bidder is required to have a valid and current **California Class A – General Engineering** license to bid this Contract. Joint ventures must secure a joint venture license prior to award of this Contract. Removal, handling, and/or disposal of hazardous materials may by law require hazardous substance removal certification by the Contractor's State License Board.

- 7. PUBLIC WORKS CONTRACTOR REGISTRATION.** A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirement of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter [1770-1784 Labor Code], unless currently registered and qualified to perform public work pursuant to Section 7029.1 of the Business and Professional Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Labor Code Section 1725.5 at the time the contract is awarded.
- 8. REQUIRED MINIMUM QUALIFICATIONS.** A Contractor or subcontractor shall have the minimum qualifications to preform the work as described in Section 00450 (Statement of Qualifications for Construction Work).
- 9. PREVAILING WAGE LAWS.** The successful Bidder must comply with all prevailing wage laws applicable to the Project, and related requirements contained in the Contract Documents. Pursuant to applicable provisions of the Labor Code, the District has implemented and shall enforce a Labor Compliance Program (LCP) for the Work. The successful Bidder shall be required to comply with all the requirements of the District's LCP and applicable provisions of the California Labor Code. In bidding on the Work, it shall be each Bidder's responsibility to evaluate the cost of complying with the District's LCP. Bidders shall include all costs of compliance with specified requirements in their bids.
- 10.MANDATORY PRE-BID SITE VISIT.** District will conduct a Mandatory Pre-Bid Site Visit at 10:00 am on Thursday, May 22, 2025 starting at 100 North Canyons Parkway, Livermore, CA 94551. Any Bidder wishing to investigate subsurface conditions at the Site must schedule such a visit with the District in accordance with Document 00200 (Instructions to Bidders). Attendance at the mandatory site visit will be taken. If a Bidder fails to attend the Mandatory Pre-Bid Site Visit as required, the District reserves the right to reject the Bid as non-responsive.
- Requests for Information are due at 2:00 p.m. on Monday, May 29, 2025. The District may respond to all questions, via written response or addenda, by 2:00 p.m. on Thursday, June 5, 2025, via posting on District's website and an email sent to those on the registered Planholders' List.
- 11.SUBSTITUTION OF SECURITIES.** District will permit successful Bidder to substitute securities for retention monies withheld to ensure performance of Contract, as set forth in Document 00680 (Escrow Agreement for Security Deposits in Lieu of Retention), in accordance with California Public Contract Code, Section 22300. By this reference, Document 00680 (Escrow Agreement for Security Deposits in Lieu of Retention) is incorporated in full in this Document 00100.

12.PROCUREMENT OF BIDDING DOCUMENTS. Bidding Documents are located online at www.zone7water.com under *Construction & Business Opportunities – Opportunities or Solicitations outside of the OpenGov Portal* section, where Bidders may download copies for no fee. Bidders must complete the web form to download plans and specs directly from the Zone 7 website to be put on the Planholders' List. Any addenda will be posted on the District's website and may be sent by email to those on the Planholders' List. If a Bidder fails to be put on the Planholders' List as required, then District reserves the right to reject the Bid as non-responsive.

13.BID PREPARATION COST. Bidders are solely responsible for the cost of preparing their Bids.

14.RESERVATION OF RIGHTS. District specifically reserves the right, in its sole discretion, to reject any or all Bids, or re-bid, or to waive inconsequential deviations from Bid requirements.
