I/We plan to reactivate well number(s) _____ at some time in the future, therefore, I/we do not wish to destroy the well(s) at this time. I/We agree to maintain the well(s) in accordance with the following conditions:

1. The well shall be kept free from defects that may cause groundwater degradation;
2. The top of the well casing shall be securely covered so that equipment or tools are required to access the well opening;
3. The wellhead shall be kept clear of brush and soil and debris so that its location can be clearly seen; and,
4. When there is no longer any intent to use the well(s), the well(s) will be properly decommissioned, at the owner's expense, and with the appropriate permit(s) from the Zone 7 Water Agency.
5. An updated statement will be filed with Zone 7 every 3 years until the well has been put back in service or destroyed.
