

WATER CONNECTION FEE INFORMATION SHEET

New fee schedule effective January 1, 2023

I. GENERAL BACKGROUND

- A. The Water Connection Charge Ordinance No. FC 72-1 as amended for Zone 7 was established January 18, 1972. The ordinance is applicable over the Zone 7 area that includes Livermore, Pleasanton, Dublin, Sunol, and surrounding communities. The Ordinance requires a one-time water connection fee for all new water services from a water system that is directly connected to the Zone 7 water supply system. This fee is used for funding the costs of expanding the Zone 7 water treatment and distribution system to serve new development.
- B. The amount charged for a water connection is determined by the size of the meter to be installed. The meter sizes and corresponding water connection fees are listed below.

II. PROCEDURES FOR PAYMENT OF WATER CONNECTION FEES IN LIVERMORE, PLEASANTON, & DUBLIN

The water connection fees are collected by the Building Departments of the Cities of Livermore and Pleasanton, and by the Dublin San Ramon Services District, which are agents for Zone 7. For that area within the California Water service area which is located outside of the Livermore city limits, connection fees will be paid at the Zone 7 office in Livermore.
